

# PRMS Psych-cess: Forensic Psychiatry

READY FOR **SUCCESS** IN YOUR PSYCHIATRIC CAREER?  
JOIN US FOR **PRMS PSYCH-CESS!**

**THURSDAY, NOVEMBER 4 • 6:30 - 7:30 PM (EDT)**

PRMS® Psych-cess is a virtual webinar for residents, fellows, and early career psychiatrists, led by experts in the field to set you up for success. **Interested in forensic psychiatry?** Hear from forensic psychiatry specialist, **Liza Gold, MD**, as she leads a discussion sharing more about the specialty and how she chose to make it her career and reach her current roles, which include:

- Clinical Professor of Psychiatry at the Georgetown University School of Medicine
- Member of the District of Columbia Superior Court Mental Health Commission
- President of the American Academy of Psychiatry and the Law (2020-2021)
- Member of the National Academies of Sciences, Engineering, and Medicine Committee on Sexual Harassment in the Scientific and Technical Workforce (2017-2018)

Plus, submit your own questions to be answered live during the virtual event!
